## Port of Skagit

## Skagit Regional Airport

### **A Premier Northwest Destination for Aviators**

Skagit Regional Airport (KBVS), owned and operated by the Port of Skagit, is your aerial gateway to the beautiful Skagit Valley. Situated several miles west of Burlington, WA, the airport offers stunning views from the pattern of the surrounding Skagit Valley, the Cascade Mountains to the east and the San Juan Islands to the west.

This popular general aviation facility serves a variety of users, including business, commercial and recreational aviation. Available on our uncontrolled airfield are excellent terminal facilities, aviation fueling and a variety of aircraft maintenance and related services, including qualified flight instruction.
